

## pluriSpin® Human CD8+ Cell Depletion (2 ml)

Order No.:19-04002-31

## **Description**

pluriSpin® Human CD8+ Cell Depletion is designed to isolate pure, viable and untouched cytotoxic t cell-free population from whole blood, buffy coat, cord blood or similar sample material by negative isolation. The product labels Cytotoxic T cells, while the isolated human cytotoxic t cell-free population are left in the sample. When centrifuged over a density medium the unwanted cells pellet along with the RBCs. The purified cytotoxic t cell-free population are present as a highly enriched population at the interface between the plasma and the density medium.

## **Additional Information**
